**Coaches:** We have once again leased space from the town to make lighted fields available for your use during the Fall when daylight is eliminated. Trainers should be working with most/all teams so they will decide how much field space each group needs. If a group doesn't showup, feel free to spread out.

**IMPORTANT!!!:** Even though there is a trainer working with teams, each team **MUST** designate a PARENT to be at the field during training in case of an emergency.

**Any changes to the schedule must be cleared with Tom Williamson and updated on the website. Please clean up ALL GARBAGE.**
